LE CERCLE 1945

The CERCLE 1945, which refers to the founding year of Centraide Québec et Chaudière-Appalaches, brings together donors who donate more than \$10,000 annually to the organization.

In addition to making an exceptional contribution, members have the chance to get involved, reflect and tackle major social issues affecting poverty and social exclusion in our community, and make a real difference. To recognize their great generosity, Centraide holds an annual event exclusive to these donors in December. Here are the concrete impacts that a donation of \$10,000 or more represents.

BREAK SOCIAL ISOLATION

We help the elderly, immigrants, and people living with disabilities and mental illness find their place in our community, make connections, and realize their full potential.

\$480 per week
(\$24 960/year)

Ten (10) young people living with intellectual disability or with an autism spectrum disorder will benefit adapted day camp service for eight (8) weeks.

BUILD CARING COMMUNITIES

We improve the quality of life in our neighborhoods by fostering volunteerism and strengthening skills and leadership in local organizations.

(\$10 400/year)

One organization will be able to pay the increased costs associated with growth and relocation.
